WE LOVE A CHALLENGE

Carlile has tons of experience moving the heaviest, toughest loads around - things so massive that others scratch their heads and say "sorry." We roll up our sleeves and find solutions that deliver. We have the equipment and know-how to make jaws drop as we haul your cargo safely to its destination.

→ solutions finder.

PEET FRATE LINE, INC.
PFL PLATINUM LOGISTICS, Svc.

Encouraging and promoting a new level of cooperation between Shipper and Carrier and Broker!

Our Logistics Professionals help Shippers/Receivers and our carriers work collaboratively, reinforcing the basics of transportation but also exploring new ideas and creative approaches to problem solving. The basics of transportation are good service and reasonable pricing.

PFL Platinum Logistics, Svc. is the program to enhance the creative approach relative to your:

LTL...Truckload...Expedited...Air Freight...Intermodal...International

We, as your logistics partner help determine which transportation best practices will work for your operation. We are willing to modify or create programs when your needs require unique solutions. We know we only have one product to sell, and that is Service.

Earning your business by earning your trust...one load at a time.

WE WANT TO HELP YOU SUCCEED

The brokers, forwarders, logistics companies, intermodal marketing companies, perishable commodities brokers, NVOCs, and other members of the Transportation Intermediaries Association are required to follow a strict code of ethics designed to promote high standards of professional service and business conduct. The freight industry recognizes this commitment by granting TIA members priority placement on load boards.

Trust your business to a TIA member.
